Rev. Weston Bruner to be Assisted by a Well Known Gospel Singer.

NO OPPOSITION TO POU

Colonel Cunningham Predicts That Cotton Will Run Out Tobacco in Many Counties.

(Special to The Times-Dispatch.)
RALEIGH, N. C., April 16.—J. L. Rainey, for a number of years editor of the Progressive Farmer, but for the past two years located in Baltimore, announces that he will begin the publication of the Raleigh American, an independent weekly newspaper. He has secured offices in the law building.

The official call has been issued for the congressional convention for this the fourth district, to be held in this city June 22d. So far as is known, there will be no opposition to the renomination of Congressman Edward W. Fou. The convention will also choose two electors to the national democratic convention to be held in St. Louis July 6th.

INTERESTING REVIVAL.
I. H. Meredith, the well known gospel singer, arrived yesterday for the revival services being carried on at Tabernacle Baptist Church by Rev. Weston Bruner, of Richmond. Great interest is being developed in the meetings. Noon hour services are being held in various factories and shops, and an early morning service is being held each day at the Baptist Female University, there being marked interest in both.

In the District Court here yesterday G. A. Sanders, of Pine Bluff, Moore county, was declared a bankrupt. His liabilities are \$25,000, and the assets, in open accounts, notes and bonds, \$48,800.

COTTON VS. TOBACCO.

Colonel John S. Cunningham, one of the largest tobacco growers in the country, estimates that the tobacco crop for the coming season in the old tobacco belt west of Raleigh will be about twenty or twenty-five per cent. less than in former years, and that in the new belt east of Raleigh the reduction will be from forty to fifty per cent. With all this falling off, Colonel Cunningham declares that the supply will be amply equal to the demand. It is expected that cotton will crowd out tobacco in many of the eastern counties, where the cultivation of tobacco had gotten considerable hold the past few years.

Whiskey and Beer Habit

PERMANENTLY CURED BY

"ORRINE,"

ABSOLUTELY SAFE, SURE AND HARMLESS.

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine acts away the strength and stupifies the digestive organs, thus destroying the digestion and ruining the health. No "wild power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. Can be given secretly if desired.

Cure Effect or Money Refunded.

Ask your druggist whom you know what he thinks of ORRINE; he will endorse our statements as truthful in every respect. If ORRINE fails to cure we will refund you every penny paid for it as cheerfully as we took it.

No Sanitarium Treatment or Publicity!

No Absence from home or loss of time!
Mothers, wives and sisters, you cannot cure those who are afflicted with this most terrible of all diseases by your fervent prayers, or eyes red with tears, nor by your hope that they may stop drinking. It can be done only with ORRINE. You have the remedy—will you use it? If you desire to cure without the knowledge of the patient, buy ORRINE No. 1; if the patient desires to be cured of his own free will, buy ORRINE No. 2. Full directions found in each package. Price \$1 per box.

VIRGINIA BEACH.

(Special to The Times-Dispatch.)
VIRGINIA BEACH, VA., April 16.—Those who do not visit Virginia Beach at this season do not realize how charming the life is at this time of year. The Princess Anne Hotel, with its genial proprietor, Mr. Graves, is an ideal place to rest, within sound of the ocean. Dining is indulged in every night, to the strains of good music, and with a good partner, good food, and good music, what mortal could love of this form of enjoyment want?

Numerous card parties have been in vogue recently. At low tide the driving on the hard beach is equally fine, the stranded clipper ship, "Henry B. Hyde," which is almost high, dries just below No. 1 Life Saving Station, and presents an object point for many driving parties. It may not be generally known that fox hunting is a favorite sport here, under the management of Mr. Herman Drinkwater, the master of the hounds. Many good runs have been made. The Lynnhaven system, boasted on the bank of the river, from which it takes its name, cannot be equaled. Many of the visitors to Virginia Beach, drive, or take the Chesapeake Transit Car, to partake of this delicious bivalve, and unanimously vote the time well spent.

Mr. William Frank, of New York, is a champion fisherman. He truly has "fisherman's luck." The strings of fish that he has brought back to the hotel, attract the eye of even those who do not indulge in this alluring pastime.

Galilee Church, at Virginia Beach, succeeding every week, one may judge by the large congregations, the enthusiasm of the young people who have the welfare of this little mission at heart. Last Sunday Dr. McKim, of Washington, D. C., officiated. His excellent sermon on the "Resurrection" was appreciated by many hearers.

Several cottages are open, some for house parties, and others for the record to guests. Among the latter are the "Queen Anne Cottages," "The Arlington," and "The Mount Vernon."

The following are a few of the names of the guests registered at the Princess Anne Hotel, Virginia Beach, and Mrs. G. B. Bradford and son, Mr. Chas. Dow, Jr., Mr. Theodore Runkel, Mr. C. W.
